Respected Organization,

Greetings of the day!

I hope You are doing your job. I am Khadga Raj Aran from a Developing country (India), and doing PhD at a Private Institute. This registration fee is a burden for me. Moreover, There are financial problems in my family because of my low-income family background and family health issues. I hope you can understand my situation, waive my registration fee, and provide the E-certificate only. If additional information is required, kindly inform me.

Due to family and financial problems, I just want the E-certificate.

Hope for a positive response.

YOUR'S TRULY,

Mr. Khadga Raj Aran
